**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This is a vote for more competition in communications services, and against any price hikes that will unnecessarily increase the cost of those services. Broadband is critical to so many of us, not least rural communities. I use DSL, and keep landlines for safety - all with competitive service providers, not the big guys. I get amazing agile service and excellent customer and technical support at both my home and my office. Keep the channels of communication open and truly competitive!

Best and thank you for your time!
